4-H SPACE CAMP

The 4-H Space Camp is an earth science adventure weekend for youth ages 9 to 13.

Included in the weekend experience will be activities such as:

- Model rocket construction and launching
- Bottle rocket construction and launching
- Workshops on astronomy, botany, chemistry, and wildlife
- Experienced facilitators teaching earth science topics
- Telescopic examinations of the sky during the day and night
- Study and hands-on interaction with numerous plant and animal specimens
- Cool chemistry experiments
- Opportunities to make new friends with others interested in science

To register for this event, complete the attached registration form and mail it along with the \$110.00 fee to:

**4-H Space Camp
C/O Silvia Brooks
Airfield 4-H Center
